Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Progreso Latino, Inc. Facility Purchase and Renovation project in fiscal year 2023.

The entity to receive funding for this project is Progreso Latino, Inc. (PL), located at 626 Broad Street, Central Falls, Rhode Island 02863.

This funding would be used to purchase and renovate a new facility. PL is a Latino-led, community-based organization that was established in 1977 and serves up to 15,000 people annually. The organization offers bilingual programs including early education, adult education, workforce development, domestic violence prevention and intervention, immigration and social services, financial literacy and volunteer income tax assistance, small business development, senior programs, health and wellness programs, and a food pantry. Community demand for PL's services have outgrown the capacity of its current location. Funding would enable PL to move into a larger space where they would be able to offer expanded programming to the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David N. Cicilline
